Hi Everyone,

We wanted to say thanks for everyone for coming to the Lan and for putting up with all the random issues that always seem to happen at Lans (Valve pushing an update at the WRONG time.. Network Outages..etc).

All-in-all it was a good event. We hope that everyone had fun and we hope to see you at our MovieNight/CableParty on the 21st of this month. If you dont know what im talking about Join the mailing list! (link on left side).

We had ~53 people in attendance and transfered ~ 7GB of bandwidth. (Lan to Wan).

Frag on all!
